

# Phyllis R. Dixon

We're in the Home Stretch!

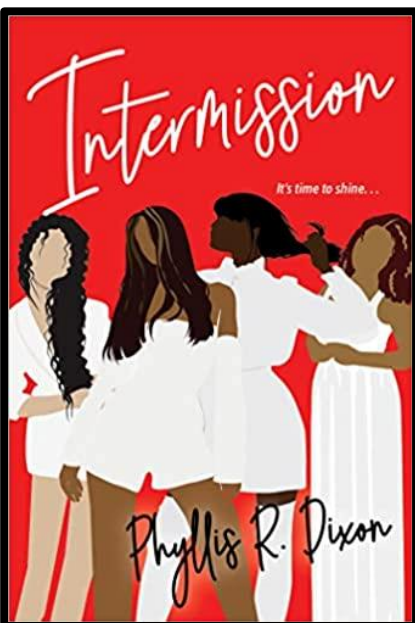

My new novel, **Intermission** will be released in a few weeks. If you haven't already preordered, please do so. Preorders count toward first week sales, an important measure used by the industry. Purchase links are on my website ([www.phyllisdixon.com](http://www.phyllisdixon.com)), but you can order from any bookseller. I am now on BookBub and there will be an **Intermission** playlist on Kensington's Spotify.

Guess what? **Intermission** was recommended in an AARP newsletter for anticipated summer books. I'm excited to be included on this list! Seems just yesterday I was saying the book was coming out next year and now it's almost here. A reminder that time is precious, so I hope you enjoy your summer and spend time with friends and family.

I appreciate your support and look forward to hearing what you think about the book!

Take care,

*Phyllis*

P.S. Be sure to leave reviews on Amazon and Goodreads.

--A fun read. *Dreamgirls* meets *Waiting to Exhale* with a nostalgic 90s twist!

## AARP Newsletter Review

*"If you were a fan of girl music groups from the 1990s, you'll love this story about the fictional girl group the Diamonds."*

### A few pictures from Delta Authors on Tour

Featured authors at reception with Pittsburgh Mayor Gainey and chapter officers.

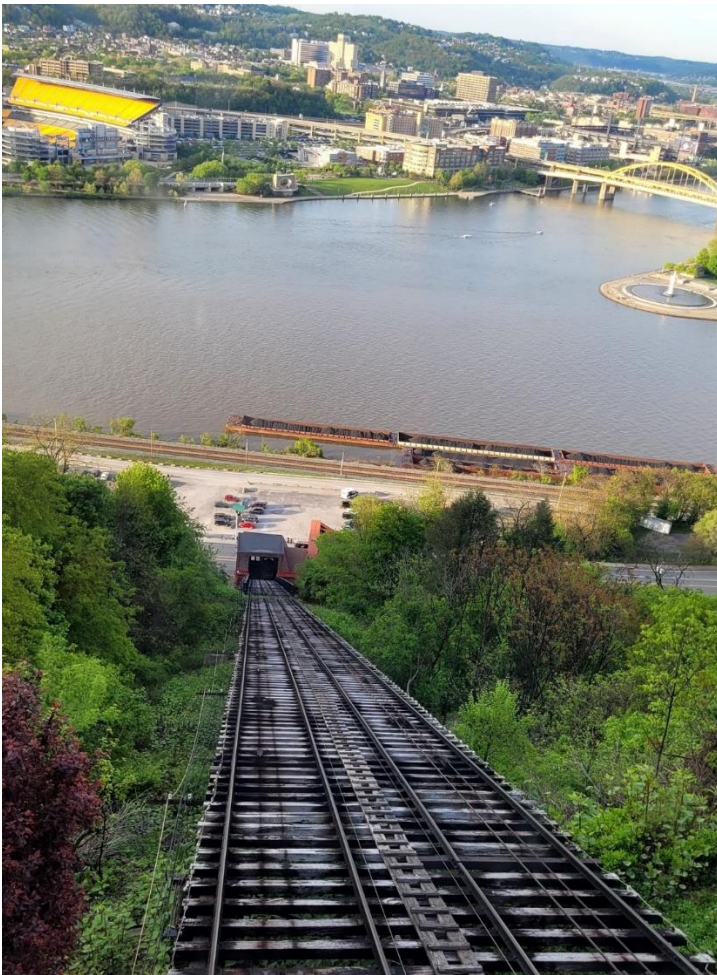

At August Wilson house. (Writing a play is on my bucket list.)

Featured authors and Delta officers on Pitt campus with commissioned Delta monument.

City view during Pittsburgh tour. I rode (reluctantly) the incline to the bottom of the hill.

Received Resolution from Memphis City Council during Southern Region Delta Authors on Tour.

Stay safe and enjoy your summer!
